

SMITH PERFORMANCE SPRAYERS MULTI-USE SPRAYER SMU-8

The Smith Performance Sprayers Multi-Use Sprayer SMU-8 is a professional grade sprayer built to handle a wide range of spraying applications. This general-purpose sprayer is fitted with chemical resistant seals and heavy-duty components making it suitable for use with a wide range of chemicals commonly used in industries such as cleaning, construction, turf and agriculture, pest control and many more.

Efficient hand pump

- Quality and efficient hand pump with lockable shut off
- 8 Litre tank capacity

Viton seals

Chemical resistant seals for extended operating life

Comfort grip trigger

Comfort grip trigger with locking function for continuous spraying along with in-line filter to reduce spray tip clogging

Pressure release valve

For safe and easy release of internal pressure before opening the canister

Spray wand holder

- Wand holder securely holds and protects wand and spray tip
- Equipped with a range of nozzles
